About IITM

Institute of Information Technology and Management (IITM) was set up in 1999 under the aegis of Mata Leelawati Shiksha Sansthan (MLSS), a registered education society engaged in various philanthropic activities, with Shri T.N. Chaturvedi - The well-known Educationist, Parliamentarian, Ex-Governor of Karnataka and CAG of India and Padma Vibhushan Awardee as Founder President of both the Society and the Institute.

The Institute is NAAC & NBA Accredited and affiliated with Guru Gobind Singh Indraprastha (GGSIP) University, Master of Business Management (MBA), Bachelor of Business Administration (BBA), Bachelor of Commerce (B. Com (H)) and Bachelor of Computer Application (BCA) programs and BA(JMC) programs. It is also approved by the All-India Council for Technical Education (AICTE), Ministry of HRD, Government of India. The Institute aims to be a center of excellence promoting value-based quality education in the emerging areas of advanced professional studies in Information Technology & Management at the graduate and post-graduate levels. It has been working for the past 22 years to develop highly skilled human capital for industry, academics and business.

Vision & Mission

Vision Statement

“The Institute aims to be a Centre of Excellence, promoting value-based quality education in the contemporary areas of advanced professional studies in Information Technology, Management and Media studies.”

Mission Statement

“IITM endeavors”

- To promote learning environment that delivers students with up-to-date curriculum & pedagogy equipping them with strong analytical mind, thinking ability, entrepreneurial and organizational skills required in a dynamic professional environment,
- To foster strategic alliance with industry for real time business exposure,
- To inculcate human values like ethical, social and moral values amongst students.

Philosophy

- Quality Education (Academic Excellence Skill & Leadership)
- Training (Inclusive of Up Skill, Re- Skill)
- Consistency
- Empathy & Understanding
- Innovation

3.

Academics

The Institute offers full-time education programs affiliated with Guru Gobind Singh Indraprastha University Delhi. The Program MBA is also approved by "The All-India Council for Technical Education" (AICTE), MHRD, Government of India. IITM has a uniquely designed educational audit system wherein the students' performance is continuously evaluated by the faculty based on case studies, group discussions, assignments, quizzes, class tests, role plays, etc. along with real-life experience from the industry and academics. The teaching and learning for all the courses MBA, BCA (Morning & Evening shift), BBA (Morning & Evening shift) and B. Com (H), BA(JMC) are blended with co-curricular and extra-curricular activities for the all-around growth of the students.

Organizational Structure

The Institute maintains the AICTE mandate of a faculty-student ratio of 1:20 for the MBA program. For undergraduate programs, the faculty-student ratio of 1:20 is maintained as per the norms of GGSIP University. As per these norms required several faculties is 86.

The total strength of faculty and staff is given below:

Faculty

Category	Total	Regular	Visiting
Director	01		
IT Faculty	38	30	08

7	B. Com (H) (2nd Shift)	2019–2020	60
8	MCA	2023–24	60
9	BA (JMC)	2023–24	120

The Institute was assessed as Category “A” by the Joint Assessment Committee of Govt. of NCT of Delhi & GGSIP University for the academic year 2025-26.

A Fee Committee was set up by the Govt. of Delhi for deciding the fee structure in the self-financed institutions. The Committee fixed the following fee in respect of the courses being run at the Institute:

- (a) MBA: Rs 1,85,200 per annum
- (b) MCA: Rs 1,85,200 per annum
- (c) BCA: Rs 1,11,100 per annum
- (d) BBA (1st & 2nd Shift): Rs 1,13,200 per annum
- (e) B.COM (H) (1st & 2nd Shift): Rs. 1,07,800 per annum
- (f) BAJMC: Rs. 1,13,200 per annum

c.

Committees Structure

The Internal Committee (IC) at the Institute of Information Technology & Management (IITM), Janakpuri, is constituted in accordance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. The committee is responsible for creating and maintaining a safe, respectful, and inclusive environment for all students, faculty members, non-teaching staff, and visitors. It serves as the primary body for receiving, inquiring into, and resolving complaints related to sexual harassment in a fair, confidential, and time-bound manner. The Internal Committee is typically chaired by a senior woman faculty member and includes faculty representatives, staff members, and an external member with expertise in women's rights or legal issues, ensuring impartiality and compliance with statutory requirements. In addition to addressing complaints, the committee actively promotes awareness through orientation programs, workshops, seminars, and awareness campaigns that educate the institute community about gender sensitivity, workplace ethics, and the rights and responsibilities of individuals. It also encourages the prompt reporting of incidents without fear of retaliation and ensures that complainants receive appropriate support throughout the inquiry process. By maintaining confidentiality, adhering to principles of natural justice, and recommending preventive and corrective measures, the Internal Committee plays a vital role in fostering a culture of dignity, equality, mutual respect, and accountability, thereby contributing to a secure and conducive academic and professional environment at IITM Janakpuri.

For Academic Session: July-Nov, 2025

S. No.	Enroll No.	Student Name	Photograph	Subject Name with Paper Code and Marks	Sem
1	09221102025	Simran Singh		Discrete Mathematics (101) 100	I
2	04013702024	Vidhi		Dynamic Web Designing (203) 100	III
3	03521102023	Aryan Manral		Computer Graphics (303) 100	V
4	06421102023	Krish Sehgal		Machine Learning With Python (311) 100	V

For Academic Session 2025-26:

The Overall pass percentage for BCA-II(M) is 79.82% and BCA-II(E) is 77.63%.

For Academic Session 2025-26:

The Overall pass percentage for BCA-IV(M) is 77.86% and BCA-IV(E) is 79.64% .

For Academic Session 2025-26:

The Overall pass percentage for BCA-VI(M) is 84.27% and BCA-VI(E) is 83.58%

Our Achievers in Jan – May 2026 scoring more than 85%

S. No.	Enroll No.	Name	Class	%age
1	07413702025	Chandan Bisht	94.67	BCA-II (M)
2	08113702025	Ravi Kumar Jha	94.56	BCA-II (M)
3	01913702025	Satyak Kumar	94.33	BCA-II (M)
4	07313702025	Pooja Saini	94.33	BCA-II (M)
5	06513702025	Chelsi Goel	94.00	BCA-II (M)
6	08713702025	Nimish Sachdeva	93.00	BCA-II (M)
7	05313702025	Tanmay Sharma	91.78	BCA-II (M)
8	05413702025	Himanshu	91.33	BCA-II (M)
9	07013702025	Ritik Kumar	91.33	BCA-II (M)
10	03013702025	Animesh Kashyap	91.22	BCA-II (M)
11	09213702025	Rishabh Kumar	91.00	BCA-II (M)
12	08913702025	Ayushman Singh	90.89	BCA-II (M)
13	09013702025	Piyush Maurya	90.22	BCA-II (M)
14	03913702025	Dhruv Singh	89.89	BCA-II (M)
15	09413702025	Maanya Agarwal	89.67	BCA-II (M)
16	02113702025	Somil Sharma	89.44	BCA-II (M)
17	04013702025	Aditya Mukherjee	89.22	BCA-II (M)
18	07713702025	Afreen Fatima	88.67	BCA-II (M)

19	08513702025	Akshita Dubey	88.22	BCA-II (M)
20	10513702025	Yugansh Joshi	88.11	BCA-II (M)
21	01313702025	Arpit Gupta	88.00	BCA-II (M)
22	00113702025	Paridhi Goswami	87.89	BCA-II (M)
23	02013702025	Devansh Goel	87.89	BCA-II (M)
24	00213702025	Tapas Goel	87.78	BCA-II (M)
25	00513702025	Shivam Vats	87.22	BCA-II (M)
26	02613702025	Vidhisha Chitra	87.22	BCA-II (M)
27	11313702025	Yashvi Suneja	87.22	BCA-II (M)
28	01113702025	Shanaya Attri	87.00	BCA-II (M)
29	09713702025	Shreyang Aggarwal	86.78	BCA-II (M)
30	09113702025	Mudit Bhatt	86.33	BCA-II (M)
31	07213702025	Shruti	86.22	BCA-II (M)
32	09813702025	Rishita Bansal	85.89	BCA-II (M)

e. Merit Scholarships

(i) In – House Merit Scholarships

To acknowledge and encourage brilliant academic performers, the Institute awards Merit Scholarships to the students based on their academic performance in university examinations. The details of scholarships are given below:

S.No	Award Category	Award Description / Criteria	Award
I	Annual Program-wise University Rank Holders	Up to the first three positions , provided 2nd and 3rd rank holders are in proximity/competitive range of 1st rank.	₹ 25,000/- (Annual)
II	Program-wise University Toppers (IPU Gold Medal Awardees)	Awarded to University Toppers of each program.	<i>Matshree Leelawati Gold Medal</i> (5gms, 24K Gold)
III	University Exemplary Performance Awardees	Given for exemplary academic or overall performance at the University level.	₹ 10,000/-
IV	Annual Subject-wise University Toppers	Awarded semester-wise to toppers of individual subjects across all programs.	₹ 500/- (Per Semester)

(ii) Pre – Admission

The Institution awarded merit scholarships for Institutional Topper, Program Topper, Class Topper and IITM Advanced Learners (who scored 86 % and above) in all the programs. Total Scholarship Amount disbursed for the Academic Session 2023-24 was Rs. 3,93,060/- and for Academic Session 2021-22 was Rs.2,04,500/-

One-time Pre-Admission Merit Scholarships up to INR 1,00,000 each are available purely based on academic merit (previous transcripts), a clear career plan & leadership potential demonstrated by the candidate during his/her interview. Shortlisted candidates will be duly informed of their interview date well in advance before the commencement of GGSIPU's last and final preference-fillin

f.

Quality Enhancement Initiative

(i)

IQAC

The Internal Quality Assurance Cell has successfully submitted the Annual Quality Assurance Report (IQAR) for the session 2022-23. A NAAC review meeting was conducted to analyze the quality gaps as identified in the NAAC cycle 2 in which the institution has been awarded an “A” grade. This year marked the addition of eminent external experts such as Prof. Devi Singh, Director, IIM Lucknow (Former Vice Chairman, Flames University), Prof. Sushila Madan, Lady Shri Ram College for Women, University of Delhi, Prof. Madhu Vij, Faculty of Management Studies, University of Delhi, Prof. (Dr.) M.N.Hoda, Director, Bharti Vidyapeeth Institute of Computer Applications & Management, GGSIPU, Prof. Saroj Kaushik, Former HoD, Computer Science, IIT-Delhi, Prof Dr K G Suresh, Director, Indian Habitat Centre, Ex-VC, Makhan Lal University, Bhopal to IQAC. The IQAC has conducted 21 meetings ever since its inception in 2014 during the NAAC cycle1.

(ii)

Teaching Learning Pedagogy (OBE)

The Institute has implemented "**Outcome Based Education (OBE)**" and takes pride in developing the necessary manpower and infrastructure to implement Outcome Based Education effectively. The process involved restructuring of curriculum, assessment and reporting practices in education to reflect the achievement of high-order learning and mastery rather than the accumulation of course credits. Thus, the primary aim of OBE is to facilitate desired changes within the learners, by increasing knowledge, developing skills and/or positively influencing attitudes, values and judgment. OBE embodies the idea that the best way to learn is to first determine what needs to be achieved. Once the end goal (product or outcome) has been determined the strategies, processes, techniques, and other ways and means can be put into place to achieve the goal. Hence in a sincere bid to align itself to the quality requirements of NBA and NAAC the institution restructures its teaching pedagogy to render each academic activity outcome based. A

dedicated academic staff implements the OBE teaching- learning process at IITM through rigorous planning, keeping in view the industry needs. Students undergo classroom lectures, tutorials, case studies, assignments, seminars, workshops, multimedia presentations, and expert lectures by eminent personalities from the industry and academia. A unique personality development module has been introduced within the syllabi to develop the soft skills of the students. Students punctiliously participate in co-curricular and extra-curricular activities.

The pedagogy adopted at IITM emphasizes inculcation of academic excellence and professional skills that help to apply conceptual learning to live business situations in the industry. The focus is on achieving high standards of interactive learning processes by adopting innovative teaching methods that motivate students to create and apply knowledge by thinking and doing. Thus, preparing the students for leadership in a rapidly changing world. The pedagogy at IITM has been carefully crafted to help students develop an intellectual capacity for analysis, assessment, judgment, decision-making and action-taking that are essential components of the career the students choose to pursue. Our teaching methods comprise lectures, assignments, case studies, role-plays, group discussions, business games, experiential learning activities, group work, seminars, simulation workshops, skill enhancement workshops, personality development workshops, entrepreneurship development programs, education tours, recreational tours and field visits. Additionally, students undertake team projects, presentations and field- based projects as part of different courses.

(iii)

Skill Development

The skill enhancement programs help students acquire skills to identify and tackle complex management problems. Skills imparted to the students will assist them in navigating through unforeseen and challenging business, economic and social changes of the future.

The objective of skills development is to learn, “Learning by Doing”, Analysis and Problem Solving instead of rote learning and Critical thinking as opposed to information gathering. Our skill development courses and workshops facilitate heightened awareness regarding the domestic and international business environments.

4.

Infrastructure

a.

Classrooms

To provide an environment conducive to pragmatic learning, the lecture theatres are equipped with an AV system, a PA system and internet connectivity

b.

Computer Labs

The Institute has a cutting-edge air-conditioned multi-lab Computer Centre equipped with the following:

- High-end multi-media workstations in a 1:1 ratio.
- Round-the-clock 500 MBPS dedicated lease line for Internet connectivity from Reliance to cater to the needs of the faculty and students on campus.
- High-end IBM server operating on Linux/Windows.
- LAN connectivity.
- Licensed Academic Software in alliance with Microsoft.
- Dedicated Research Labs.
- Peripheral support including scanners and laser printers.
- 100% power back-up with a standby generator

Internet Connection

500 Mbps TATA Teleservices dedicated fiber optics leased line (Managed link 24 hours)
100 Mbps Airtel Broadband Connection.

Web Broadcast System

For real time Broadcast of Institutes' Events on the web.

Teaching Aids

1. LCD Projector-47
2. Printers-45
3. Interactive Boards-2
4. Scanner-16
5. Public Address Systems-4
6. Centrally A/C Auditorium (Seating capacity of 230 for overview lecture etc.) fitted with complete audio – video and acoustics equipments

c.

Seminar/Syndicate Room

The Institute features air-conditioned seminars and syndicate spaces with multimedia equipment, LCD projectors, and Smart Boards. Student seminars, group presentations, project discussions, and guest lectures are frequently held in these spaces.

d.

Library

The two libraries of IITM are sizable knowledge bases with a wide range of management and information technology books. The institute's second level has both the undergraduate (UG) and graduate (PG) libraries. Members of the IITM Library encourage and support management and information technology teachers and students' usage of the library's extensive and varied collections.

The full range of library services, including circulation, reference, indexing, Selective Distribution of Information (SDI), Current Awareness Service (CAS), and Interlibrary

Loan (ILL), are available to all Institute employees, faculty, and students. Located in the center of the campus, the library uses contemporary technology to give users the information they need to overcome obstacles and succeed in challenging situations. The library has a vast collection of books on management and information technology to meet the needs and requirements of both teachers and students. It is completely computerized and well-stocked with the most recent editions of books by renowned writers.

e.

Auditorium

With 240 seats, the state-of-the-art, centrally air-conditioned auditorium is furnished with big LCD screen, an LCD projector, and a contemporary public announcement system. Numerous extracurricular and cocurricular events, such as conferences, seminars, and workshops, are held in the auditorium and initiatives for faculty development.

f.

Canteen

The Institute has a Nescafe shop and a well-run canteen. These are separated by large, designated seating spaces for visitors, employees, and students. Students can find a variety of nutritious food options in the cafeteria area, as well as a center for lively discussion that aids in their relaxation.

g.

Meditation Room

Workshops on yoga and stress management are held in Dhyani Kaksha. The purpose of these sessions is to instill the skill of self-management.

h.

Common Girls & Boys Room

The Common Girls' and Boys' Room provides students with a comfortable space to relax, interact, and recharge during the day. These rooms promote healthy social interaction and support students' overall well-being by offering a calm environment for short breaks.

 5. **Library Facilities**

The primary mission of the IITM Libraries is to provide services and materials that support and reflect the mission of Institute. Libraries function in support of the academic, professional and technical curricula by providing an array of information resources in a variety of formats. They serve as an educational facility where students and faculty members may learn methods of accessing, retrieving, and evaluative information.

 LIBRARY GOALS

1. To provide access to current and authoritative information resources that will support the needs of the College and promote student success.
2. To assist students and faculty with the construction of search strategies that result in the effective use of library resources.
3. To provide a collection of materials relevant to professional development and enrichment for faculty and staff.
4. To provide qualified personnel with other optimum level service to students, faculty members, and staff members, to develop and maintain the collections, and evaluate services and activities on a continual basis.
5. To provide a clean, safe, attractive and reasonably quiet environment that will encourage study and academic scholarship.

 LIBRARY FACILITY UPGRADATION

The library has 6214 titles of books, out of which 558 were added during 2024-2025. Total volumes have increased to 44808 in the years 2024-2025. The library subscribes to 76 National and International Journals and Magazines, besides getting 26 Journals in Exchange with our IITM Journal of Management and IT.

The library has subscription to DELNET resources, World E-Books Library (WEL), E-Kumbh. Regarding other E- Resources, the library is having online access to 503 Annual Reports of 80 Organizations; 10705 E-books through DELNET Subscription. Library is already the member of National Digital library of India and E-Research Platform and Central and Eastern European OnlineLibrary. The Institute is a part of National Digital Library of India Club.

IITM Concludes Six-Day Data Analytics Workshop, Five Students Selected for IIM Bangalore Competition

IITM Baranasi
The Department of Management Studies, Institute of Information Technology & Management (IITM), successfully conducted a six-day Certification Programme and Hands-on Workshop on Data Analytics using Power BI & Tableau for BBA students from June 22 to June 27, 2026. The programme was organised in collaboration with Makdesh and E-Cell, IIM Bangalore, with the objective of equipping students with industry-relevant analytical skills and practical knowledge in the rapidly growing field of data analytics. The intensive workshop offered participants a comprehensive learning experience through interactive sessions, practical demonstrations, and real-world business case studies. Students received hands-on training in Data Analytics, Business Intelligence, Power BI, Tableau, Data Visualisation, Dashboard Development, and Data-Driven Decision Making. The sessions focused on bridging the gap between classroom learning and industry expectations by enabling students to work with live datasets and create interactive dashboards for business analysis. The workshop was led by Mr. Shiva, Senior Data Consultant at AtlantaTek, USA, who served as the chief resource person throughout the programme. Drawing from his extensive industry experience, he guided participants through various analytical tools, visualisation techniques, and business intelligence practices while emphasising the importance of data-driven strategies in modern organisations. The concluding day of the workshop featured an engaging capstone project presentation, where students showcased the analytical dashboards and business solutions they had developed during the training. Their projects were evaluated by an expert panel headed by the workshop's Vice-Chair, Dr. Sudhendra. Their selection reflects their exceptional analytical abilities, creativity, and dedication demonstrated throughout the programme. The Department of Management Studies expressed heartfelt gratitude to Makdesh, E-Cell, IIM Bangalore, resource person Mr. Shiva, faculty members, participants, and the organising committee for their unwavering support and contributions in making the programme a remarkable success. The successful completion of the workshop reaffirms IITM's commitment to providing students with industry-oriented education and experiential learning opportunities.

IITM NCC Cell Marks World Environment Day 2026 with Plantation Drive and Awareness Activities

IITM Baranasi
The NCC Cell of the Institute of Information Technology & Management (IITM), Janakpuri Information Campus, celebrated World Environment Day 2026 on Friday (June 5, 2026) by organising a plantation drive and a series of environmental awareness activities, reaffirming its commitment to sustainability, environmental conservation, and social responsibility. The event witnessed enthusiastic participation from NCC cadets, faculty members, and volunteers, who came together to promote the message of protecting nature and creating a greener future. As part of the celebration, cadets planted saplings across the campus, symbolising their commitment to preserving the environment and enhancing the green cover. The plantation drive aimed to encourage students to recognise the importance of trees in maintaining ecological balance, improving air quality, and combating the adverse effects of climate change. The initiative also highlighted the role of young citizens in building a sustainable and environmentally conscious society. Alongside the plantation drive, the NCC Cell organised awareness activities focusing on environmental protection, waste reduction, biodiversity conservation, and sustainable living practices. Cadets actively participated in discussions and awareness campaigns, emphasising the importance of adopting eco-friendly habits in daily life. They encouraged fellow students to reduce plastic usage, conserve water, plant more trees, and contribute towards a clean and healthy environment. The programme concluded with a collective pledge by participants to protect natural resources, promote sustainable practices, and contribute actively towards environmental conservation. Highlighting the message of the day, the programme echoed the inspiring thought, "Nature is not a place to visit. It is home." Through initiatives like these, IITM continues to nurture socially responsible and environmentally conscious citizens while encouraging students to play an active role in creating a greener, healthier, and sustainable future for generations to come. The celebration concluded with a collective pledge by participants to protect natural resources, promote sustainable practices, and contribute actively towards environmental conservation. Through initiatives like these, IITM continues to nurture socially responsible and environmentally conscious citizens while encouraging students to play an active role in creating a greener, healthier, and sustainable future for generations to come.

IITM School of Mass Communication Students Attend News18 India's Amrit Ratna 2026 Event

IITM Baranasi
Students of the IITM School of Mass Communication, on 17 June, 2026, had the privilege of attending News18 India's prestigious Amrit Ratna 2026 event in New Delhi, gaining valuable exposure to one of the country's leading media platforms and its celebration of excellence across diverse fields. News18 India hosted the fourth edition of its flagship event, Amrit Ratna 2026, bringing together policymakers, industry leaders, artists, sportspersons, scholars, and distinguished achievers to honour individuals whose exceptional contributions have significantly shaped India's growth and development. The event recognised personalities whose work reflects the vision of "Sakha Saadha, Sakha Vikas, Sakha Vidya, Sakha Proyas" and supports the nation's journey towards becoming a VIKRANT Bharat by 2047. News18 India press release, the ceremony witnessed the presence of senior political leaders, eminent jury members, award recipients, and special guests, making it one of the network's most prominent annual events. This year's Amrit Ratna awards honoured several distinguished personalities, including former Indian football captain Bhaskar Bhatia, Indian Air Force Group Captain Shabbiruddin Shukla, singer Sonu Nigam, actor Rakesh Badi, scientist Dr. (Shashil V.) Jyngal, veteran actress Zohra Arif, renowned instrumentalists Pt. Vishwa Mohan Bhatt and Pt. Saiti Vidhya Mohan Bhatt, actor Alta Bhatt, and Ganga Maan for their achievements and lasting contributions across sports, science, entertainment, music, and public life. For the students of IITM School of Mass Communication, the visit proved to be an enriching experiential learning opportunity beyond the classroom. Witnessing the recognition of excellence by a leading national media network provided them with valuable insights into the role of journalism in highlighting inspiring stories, celebrating public service, and promoting positive social change. The programme also offered firsthand exposure to the planning, coordination, and execution of a high-profile media event. The event inspired students to appreciate the values of leadership, perseverance, innovation, and social responsibility, listening to the experiences and achievements of eminent personalities encouraged them to strive for excellence in their own academic and professional pursuits while reinforcing the importance of ethical journalism and meaningful storytelling in contemporary media. The visit is im-

E-Resources

Delnet

The screenshot displays the 'Knowledge Gainer' website, which serves as a digital library for IITM. The interface includes a navigation bar with links to 'E-Journals', 'E-Books', 'Articles', and 'Rss'. A search bar is prominently featured with fields for 'Search All fields', 'Article / Journal / Book Title', 'Author Name', and 'Subjects'. Below the search bar, there are checkboxes to filter results by 'All', 'E-Journals', 'E-Books', 'E-Articles', and 'Rss'. The 'Saved Items' section shows a message: 'You do not have any saved resources. Perform a search and use the Save to List button to save items.' The footer contains a 'Type here to search' bar and a system clock showing '15:08 23/06/2024'.

Research Papers Published in Book, Book Chapters and Conference Papers

Institute of Information Technology and Management, New Delhi
Book, Book Chapters and Conference Papers
Academic Year: July 2025- June 2026

S.No	Name	Title	Publication Details	Type	Year	ISSN/ISBN	Publisher
1.	Aaditi Aggarwal	Book Chapter: Artificial Intelligence in Medical Imaging and Diagnostics	Cognitive Healthcare: The Artificial Intelligence Revolution in Healthcare Ed by Monica Mehrotra and Others	International	May-26	978-93-7185-962-2	Deep Science Publishing
2.	Amit Kumar	Book Chapter: Reimagining HR Governance in India: Compliance Challenges in the Age of Digitization	Reimagining India 2047: AI, Sustainability and Inclusive Growth by Amanpreet Kaur and Ankit Raj Singh	International	Dec-25	978-93-49554-93-1	Bharat Global Publications
3.	Amit Kumar	Book Chapter: Investor Behaviour in the Tourism Sector: AI-Assisted Analysis of Herding, Emotion-Driven Trades and Market Sentiment	Tourism 4.0: Digital Innovation, Wellness and Destination Transformation Ed. By Dr. Ankir Raj Singh and Dr. Himanshu Matta	National	Jan-26	978-93-49005-61-7	Mahto Publications
4.	Amit Kumar	Book Chapter: Rethinking	Beyond Selling: Meaning, Value and	National	Apr-26	978-81-69295-85-7	Nex Gen Publications

		Markets: A Theoretical Shift from Selling to Value Co-Creation	the Evolution of Modern Markets Ed by Ankit Raj Singh and Ashok Malhi				
5.	Amita Pathania	Conference Paper: Revising Artha: Indigenous Financial Wisdom for Modern Indian Entrepreneurs	Proceedings of International Conference Perspectives of the Indian Knowledge System (IKS) in making India A Vishwa Guru, Ed by Vikas Rao Vadi at Don Bosco Institute of Technology, New Delhi	International	Jul-25	978-93-343-3156-1	Don Bosco Institute of Technology
6.	Amita Pathania	Book Chapter: Smart Cities as Climate Solutions: Integrating Green Technologies for Sustainable Urban Development	Digital Marketing in the Era of Artificial Intelligence and Big Data Ed. By Kiran Bangarwa and Ankit Raj Singh	International	Feb-26	978-81-19477-80-7	Nex Gen Publications
7.	Amita Pathania	Book Chapter: From Servqual to Phygital: Evolving Service Quality Models for Phygital and BOP Markets	Advances in Marketing and Consumer Research: Service Quality Perspectives	National	Apr-26	978-93-49554-91-7	Bharat Global Publications
8.	Anjali Arora	Conference Paper: Dynamic Infection Detection in Graphs: An LSTM-Centrality-Kalman Approach	Proceedings of 7th International Conference on Artificial Intelligence and Speech Technology (AIST)	International	Nov-25	979-8-3315-7775-9	IEEE Xplore
9.	Ankita Luke	Conference Paper: How AI Web3 and Blockchain are Shaping New Waves of Startup Innovation	Proceedings of the National Conference on Synergizing Media Management and Technology : Driving Integrity, Innovation and Entrepreneurship for Viksit Bharat 2047 Ed By Rachita Rana and others at Institute of Information Technology and Management, New Delhi	National	Nov-25	978-81-960137-3-8	Sharda Publications
10.	Anurag Tiruwa	Book Edited: Driving Innovation & Sustainability: Bridging Management, Economics, Business, Social Science and Entrepreneurship	Sharda Publications, New Delhi	National	Sep-25	978-81-960137-7-6	Sharda Publications
11.	Anurag Tiruwa	Conference Paper: Influencer Marketing and	Proceedings of National Conference on Driving Innovation	National	Sep-25	978-81-960137-7-6	Sharda Publications

		Purchase Decisions: A Conceptual Model and Propositions for Future Research	and Sustainability: Bridging Management, Economics, Business, Social Sciences and Entrepreneurship, Ed By Rachita Rana and others at Institute of Information Technology and Management, New Delhi				
12.	Ashish Kumar Nayyar	Book Chapter: Digital Transformation and the Reconfiguration of Market Value	Beyond Selling: Meaning, Value and the Evolution of Modern Markets Ed by Ankit Raj Singh and Ashok Malhi	National	Apr-26	978-81-69295-85-7	Nex Gen Publications
13.	Bal Krishna Mishra	Book Edited: IKS Through Cinema: Philosophy, Culture & Visual Narratives	CA Research and Publications	National	Dec-25	978-81-996723-6-9	CA Research & Publications
14.	Bal Krishna Mishra	Book Chapter: Indian Ethos and Patriotism in Manoj Kumar's Films	IKS Through Cinema: Philosophy, Culture & Visual Narratives	National	Dec-25	978-81-996723-6-9	CA Research and Publications
15.	Charul Nigam	Conference Paper: Adversarial Machine Learning for Robustness in Federated Learning Environments	Conference Proceedings of 2025 2nd Asia Pacific Conference on Innovation in Technology (APCIT)	International	Sep-25	979-8-3315-2306-0	IEEE Xplore
16.	Deepali Saluja	Book Edited: Driving Innovation & Sustainability: Bridging Management, Economics, Business, Social Science and Entrepreneurship	Sharda Publications, New Delhi	National	Sep-25	978-81-960137-7-6	Sharda Publications
17.	Deepali Saluja	Conference Paper: Leadership and Inner Resilience in the Shrimad Bhagavad Gita: A Timeless Framework for Modern Challenges	Proceedings of International Conference Perspectives of the Indian Knowledge System (IKS) in making India A Vishwa Guru, Ed by Vikas Rao Vadi at Don Bosco Institute of Technology, New Delhi	International	Jul-25	978-93-343-3156-1	Don Bosco Institute of Technology
18.	Deepali Saluja	Conference Paper: Trends in the Export of Marine Products from India to European Union	Proceedings of National Conference on Driving Innovation and Sustainability: Bridging Management, Economics, Business,	National	Sep-25	978-81-960137-7-6	Sharda Publications

			Social Sciences and Entrepreneurship, Ed By Rachita Rana and others at Institute of Information Technology and Management, New Delhi				
19.	Deepali Saluja	Book Chapter: Financial Planning for Wellness Travelers: Navigating Costs and Maximizing Benefits	Tourism 4.0: Digital Innovation, Wellness and Destination Transformation Ed. By Dr. Ankir Raj Singh and Dr. Himanshu Matta	National	Jan-26	978-93-49005-61-7	Mahto Publications
20.	Deepika Arora	Book Edited: Driving Innovation & Sustainability: Bridging Management, Economics, Business, Social Science and Entrepreneurship	Sharda Publications, New Delhi	National	Sep-25	978-81-960137-7-6	Sharda Publications
21.	Deepika Arora	Book Chapter: Mitigating Technostress Through Wellness Tourism: A Conceptual Framework of Digital Detox Motivation and Psychological Recovery	Tourism 4.0: Digital Innovation, Wellness and Destination Transformation Ed. By Dr. Ankir Raj Singh and Dr. Himanshu Matta	National	Jan-26	978-93-49005-61-7	Mahto Publications
22.	Deepika Arora	Book Chapter: Analytics-Driven Fintech Innovation: Evidence from Emerging Digital Financial Markets	Digital Marketing in the Era of Artificial Intelligence and Big Data Ed. By Kiran Bangarwa and Ankit Raj Singh	International	Feb-26	978-81-19477-80-7	Nex Gen Publications
23. 7. Placements

The Industry Institute Partnership Cell (IIPC) is responsible for facilitating placements by fostering strong relationships between the institution and industry. It connects students with potential employers, organizes placement drives, and provides career guidance and skill development programs. The IIPC ensures students are well-prepared for the job market, offering opportunities for internships, industry projects, and direct recruitment.

8. Committees

a. Student Welfare Committee

The **Student Welfare Committee** is established to ensure the overall development, support, and well-being of students throughout their academic journey. The committee works to create a positive, safe, and inclusive campus environment where students can grow personally, socially, and academically. It serves as a bridge between students and the institution, addressing their needs, concerns, and suggestions while promoting policies and activities that enhance student life. The committee organizes various programmes such as Orientation sessions, counselling support, health and hygiene awareness, financial assistance guidance, career planning activities, and personal development workshops.

i.

Student Grievance Redressal

The **Student Grievance Redressal Committee** is constituted to provide a fair, transparent, and time-bound mechanism for addressing and resolving student complaints. The committee ensures that students have a formal platform to voice concerns related to academic matters, classroom issues, evaluation, services, facilities, or any other difficulties faced during their course of study. It works to maintain a supportive and accountable environment by examining grievances, offering solutions, and recommending corrective actions wherever necessary. The committee strives to protect students' rights and improve institutional functioning through continual feedback and redressal.

ii.

Internal Complaint

The **Internal Complaints Committee (ICC)** is constituted as per the guidelines of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act to provide a safe and respectful campus environment. The committee is responsible for preventing, addressing, and resolving complaints related to sexual harassment and ensuring that all inquiries are conducted in a fair, confidential, and time-bound manner. The ICC also conducts awareness programs, sensitization sessions, and policy orientation to promote gender equality, respect, and zero tolerance toward harassment within the institution.

iii.

Proctorial

The **Proctorial Committee** is constituted to maintain discipline, order, and a positive academic atmosphere within the institution. The committee ensures that students follow the rules and code of conduct and takes corrective measures in cases of misconduct, indiscipline, or violation of college policies. It also guides students on ethical behaviour, responsible conduct, and respectful interaction, thereby promoting a safe and conducive learning environment. The committee works in coordination with faculty, administration, and other student-related committees to ensure smooth functioning of campus activities.

iv.

Anti - Ragging

The **Anti-Ragging Committee** is constituted to ensure a safe, respectful, and fear-free learning environment for all students. The committee strictly monitors campus discipline, prevents any form of ragging, and takes prompt action on complaints received from students or stakeholders. It works in accordance with UGC and government guidelines to enforce a zero-tolerance policy towards ragging and conducts awareness programs, orientation sessions, and interactions to educate students about the harmful effects and legal implications of ragging.

v.

Alumini Association

The **Alumni Association** is formed to maintain a strong and lasting relationship between the institution and its former students. The association creates a platform for alumni to remain connected with the college, contribute to its growth, and support current students through guidance, mentorship, and networking opportunities. It organizes meetings, reunions, professional talks, workshops, and interactive programmes to strengthen bonds among alumni and enhance institutional development. The Alumni Association also encourages former students to share their expertise, achievements, and career experiences, helping to enrich the academic and professional environment of the institution.

vi.

SC/ST

The **SC/ST Committee** is established to safeguard the rights and welfare of students belonging to Scheduled Castes and Scheduled Tribes. The committee ensures that these students receive equal opportunities in academic, co-curricular, and support services as per government norms and institutional policies. It monitors the implementation of reservation policies, addresses academic and non-academic grievances, and provides guidance, counselling, and support for their overall development. The committee also conducts awareness programmes, orientation sessions, and empowerment activities to promote inclusiveness, social equality, and a discrimination-free campus environment.

b.

Departmental Committee

i.

Result Maintenance

The **Result Maintenance Committee** is responsible for ensuring the accuracy, integrity, and timely updating of all organizational records related to outcomes and performance metrics. It oversees the verification of reported results, coordinates with relevant departments to resolve discrepancies, and maintains a structured

system for documentation and data management. By upholding high standards of transparency and reliability, the committee supports informed decision-making and continuous improvement across the organization.

ii.

Publication and E- Journal

The Publication and E-Journal Committee oversees the institute's key academic and creative publications, including the annual students' magazine PRAGYA, the bi-annual newsletter JIGYASA, and the IITM Journal of Management and IT. PRAGYA presents a professional compilation of students' most acclaimed projects, reflecting their year-long academic endeavors, while JIGYASA highlights semester-wise events, achievements, results, and activities. The IITM Journal of Management and IT—a bi-annual, blind peer-reviewed

research publication—focuses on empirical and applied studies in Management and Information Technology, promoting rigorous academic discourse. Through these platforms, the committee ensures high-quality content, encourages scholarly expression, and enhances the visibility of institutional excellence.

iii.

Research and Academic Growth

The Research and Academic Growth Committee is dedicated to fostering a culture of inquiry, innovation, and continuous academic advancement within the institution. It promotes high-quality research by guiding faculty and students in their scholarly pursuits, facilitating collaborations, and supporting the development of research projects and proposals. The committee also works to enhance academic standards through workshops, seminars, and opportunities for professional development. By nurturing intellectual curiosity and strengthening research capabilities, it contributes significantly to the institution's overall academic excellence.

iv.

Conference

The Conference Committee is responsible for planning, organizing, and executing academic and professional conferences within the institution. It coordinates all aspects of event management, including theme development, speaker invitations, scheduling, logistics, and participant engagement. The committee ensures that each conference provides a meaningful platform for the exchange of ideas, research findings, and best practices. Through its efforts, the committee promotes academic dialogue, strengthens professional networks, and enhances the institution's reputation for scholarly excellence.

v.

Feedback

The Feedback Committee is responsible for collecting, analyzing, and evaluating feedback from students, faculty, and other stakeholders to support continuous improvement within the institution. It ensures that feedback mechanisms are transparent, systematic, and effectively implemented, enabling the identification of strengths and areas for enhancement. By collaborating with various departments to address concerns and implement constructive changes, the committee helps improve academic quality, administrative efficiency, and the overall learning experience.

vi.

Digital Learning

The Digital Learning Committee is responsible for promoting and enhancing technology-driven teaching and learning within the institution. It oversees the integration of digital tools, e-resources, and online platforms to support innovative instructional practices and improve accessibility. The committee also assists faculty and students in adopting digital learning solutions, ensuring effective utilization through guidance and training. By fostering a tech-enabled academic environment, it contributes to more engaging, flexible, and future-ready education.

vii.

Elite Club/ Advance Learners

The Elite Club/Advanced Learners Committee is dedicated to nurturing high-performing and exceptionally motivated students by providing them with opportunities that extend beyond the regular curriculum. It identifies advanced learners and engages them in enrichment activities such as specialized workshops, advanced coursework, competitions, and mentorship programs. The committee encourages intellectual curiosity, leadership, and skill enhancement, enabling students to explore their full potential. Through targeted support and challenging academic experiences, it helps cultivate a community of achievers prepared for higher studies, research, and professional excellence.

C.

Co-Curricular Committee

i.

Technical Fest & NexVerse

The Technical Fest & NexVerse Committee is responsible for conceptualizing, organizing, and executing the institute's flagship technical events, including the annual Technical Fest and the innovative NexVerse showcase. It provides a dynamic platform for students to demonstrate their technical skills, creativity, and problem-solving abilities through competitions, exhibitions, workshops, and interactive activities. The committee works to foster a spirit of innovation and collaboration, encouraging participants to explore emerging technologies and futuristic concepts. Through these events, the committee nurtures technical excellence, enhances practical learning, and promotes a vibrant culture of innovation within the institution.

ii.

Internware

The Internware Committee is dedicated to facilitating internship and practical training opportunities for students, bridging the gap between academic learning and industry experience. It coordinates with organizations, monitors application processes, and provides guidance to ensure meaningful and relevant internship placements. The committee also supports students in developing professional skills, preparing resumes, and enhancing workplace readiness. By fostering strong industry connections and hands-on learning experiences, it contributes to students' career growth and practical exposure.

iii.

Management Club & Sapiens

The Management Club & Sapiens Committee is focused on developing leadership, managerial, and entrepreneurial skills among students. It organizes workshops, seminars, competitions, and interactive sessions to provide practical insights into business management, strategy, and innovation. The committee also encourages critical thinking, teamwork, and problem-solving through real-world case studies and activities. By nurturing managerial acumen and professional competence, it prepares students to excel in leadership roles and contributes to their overall personal and professional growth.

iv.

Commerce Club

The Commerce Club Committee is dedicated to enhancing students' understanding and skills in the fields of commerce, finance, and business. It organizes workshops, seminars, competitions, and interactive sessions to provide practical insights into accounting, economics, taxation, and market trends. The committee also encourages analytical thinking, financial literacy, and entrepreneurial skills among students. By fostering a deeper knowledge of commerce-related concepts and promoting experiential learning, it equips students to excel in academic pursuits and professional careers in the business and financial sectors.

v.

Mass Media Club

The Mass Media Club Committee is focused on nurturing students' skills in journalism, media production, content creation, and communication. It organizes workshops, events, and projects that provide hands-on experience in writing, editing, photography, videography, and digital media. The committee encourages creativity, critical thinking, and effective storytelling while promoting awareness of current trends in media and communication. By providing a platform for practical learning and expression, it helps students develop professional competencies and confidence in the field of mass media.

vi.

Debate & Literary Events

The Debate & Literary Events Committee is dedicated to fostering critical thinking, effective communication, and creative expression among students. It organizes debates, elocutions, writing competitions, poetry sessions, and other literary activities that encourage intellectual engagement and articulate expression. The committee provides a platform for students to refine their analytical, reasoning, and public speaking skills while nurturing a love for literature and language. Through these initiatives, it cultivates confident, well-rounded individuals capable of thoughtful discourse and creative exploration.

vii.

Entrepreneurshi Development Cell & Startup

The Entrepreneurship Development Cell & Startup Committee is dedicated to fostering an entrepreneurial mindset and supporting students in transforming innovative ideas into viable business ventures. It organizes workshops, mentorship programs, startup bootcamps, and networking opportunities to guide students through the process of business planning, funding, and execution. The committee encourages creativity, risk-taking, and problem-solving while providing resources and guidance for aspiring entrepreneurs. By nurturing innovation and enterprise, it empowers students to develop successful startups and contribute to a culture of entrepreneurship within the institution.

viii.

Software Development Cell

The Software Development Cell is dedicated to enhancing students' technical skills and fostering innovation in software design and development. It organizes coding workshops, hackathons, project-based learning sessions, and collaborative programming activities to provide hands-on experience in various programming languages, frameworks, and tools. The cell encourages problem-solving, creativity, and teamwork while guiding students in developing practical software solutions. By promoting technical excellence and real-world application, it prepares students for careers in software development and the broader IT industry.

ix.

IPR Cell

The IPR (Intellectual Property Rights) Cell is dedicated to promoting awareness and understanding of intellectual property laws, including patents, copyrights, trademarks, and designs. It guides students and faculty in protecting their innovations, research, and creative works while facilitating the filing and management of intellectual property. The cell also organizes workshops, seminars, and awareness programs to foster a culture of innovation and legal compliance. By safeguarding intellectual assets and encouraging original thinking, the IPR Cell supports academic excellence and entrepreneurial growth within the institution.

x.

Artificial Intelligence & Experience Cell

The Artificial Intelligence & Experience Cell is dedicated to exploring and advancing the applications of artificial intelligence and emerging technologies within the institution. It organizes workshops, hands-on projects, hackathons, and seminars to provide students with practical experience in AI, machine learning, data analytics, and related fields. The cell encourages innovation, problem-solving, and research-driven learning, enabling students to develop cutting-edge solutions and real-world applications. By fostering technical expertise and experiential learning, it prepares students to excel in the rapidly evolving landscape of AI and technology.

d.

Extra-Curricular Committee

i.

Cultural

The Cultural Committee at IITM plays a pivotal role in nurturing creativity, diversity, and community spirit on campus. It organizes a wide range of cultural events, including festivals, performances, and competitions, providing students with opportunities to showcase their talents and engage in artistic expression. By promoting a vibrant cultural life, the committee fosters a sense of belonging, unity, and pride, enriching the overall student experience.

Cultural Events – Year 2024-25

ii.

Freshers, Farewell & Fiesta

The Freshers', Farewell, and Fiesta Committee is responsible for planning and executing the major student-centric events that welcome new batches, celebrate graduating students, and unite the campus through vibrant festivities. The committee organizes engaging programs, cultural performances, interactive activities, and themed decorations to create memorable and meaningful experiences for everyone involved. It ensures smooth event coordination by managing logistics, stage activities, hospitality, and student participation. Through creativity, teamwork, and thoughtful planning, the committee fosters a strong sense of belonging, strengthens community spirit, and contributes significantly to the lively and inclusive atmosphere of campus life.

iii.

Event Management

The Event Management Committee is dedicated to creating well-coordinated and memorable events that engage the community and foster collaboration. It plans, organizes, and executes a wide range of activities, including workshops, seminars, competitions, and social gatherings, ensuring seamless logistics and impactful experiences. The committee provides opportunities for members to develop leadership, organizational, and problem-solving skills while contributing to vibrant campus life. By facilitating successful events and promoting active participation, the committee enhances community engagement and enriches the overall environment.

iv.

Environment & Sustainability

The Environment and Sustainability Committee is committed to promoting eco-friendly practices and fostering environmental awareness within the community. It organizes initiatives such as clean-up drives, tree planting, recycling campaigns, sustainability workshops, and awareness programs that encourage active participation and responsible behavior. The committee provides opportunities for individuals to develop leadership, organizational, and advocacy skills while contributing to a greener, healthier campus. By promoting sustainable practices and environmental stewardship, the committee helps cultivate a culture of responsibility and enriches the overall community well-being.

v.

Eco Club

The Eco Club is dedicated to promoting environmental awareness and sustainable living among students. It organizes activities such as tree planting drives, clean-up campaigns, recycling initiatives, and workshops on eco-friendly practices, encouraging active participation and collaboration. The club provides opportunities for members to develop leadership, teamwork, and advocacy skills while contributing to a greener campus. By fostering a culture of environmental responsibility, the Eco Club helps build a sustainable future and enriches the overall community experience.

vi.

Disaster Management

The Disaster Management Committee is dedicated to enhancing preparedness, safety, and resilience within the community. It organizes training sessions, awareness programs, mock drills, and emergency response initiatives to equip members with the knowledge and skills to effectively handle crises. The committee provides opportunities for individuals to develop leadership, problem-solving, and coordination skills while promoting a culture of safety and vigilance. By fostering preparedness and proactive response, the committee strengthens community resilience and ensures a safer, more secure environment for all.

vii.

Audits

The Audit Committee is dedicated to ensuring transparency, accountability, and effective governance within the organization. It conducts regular audits, reviews financial records, monitors compliance, and evaluates internal processes to maintain accuracy and integrity. The committee provides opportunities for members to develop analytical, organizational, and decision-making skills while supporting responsible management practices. By promoting transparency and accountability, the committee strengthens trust and contributes to the overall efficiency and credibility of the organization.

viii.

NSS & NCC

The NSS & NCC Committee is committed to fostering a sense of social responsibility, discipline, and community service among students. It organizes outreach programs, social awareness campaigns, leadership training, and skill-building activities that encourage active participation and teamwork. The committee provides opportunities for members to develop leadership, organizational, and civic skills while contributing to meaningful community development. By promoting service, discipline, and social engagement, the committee strengthens interpersonal connections and enriches the overall campus experience.

NSS Cell Events

Month	S.NO	Event/ Activity	Date of Event	in Association with Organization	No. of Participants	No. of Hours
AUGUST	1	Register as National Volunteer- Har Ghar Tiranga	12-08-2025 to 15-08-2025	Art, Culture and Languages Department, GNCTD	17	NA
	2	Rangoli Competition-Har Ghar Tiranga	14-08-2025	Art, Culture and Languages Department, GNCTD	6	2
	3	Flag Hoisting-Har Ghar Tiranga	14-08-2025	Art, Culture and Languages Department, GNCTD	NA	1

ix.

Sports

The Sports Committee is dedicated to promoting physical fitness, teamwork, and a spirit of healthy competition within the community. It organizes tournaments, sports events, fitness challenges, and recreational activities that encourage active participation and collaboration. The committee provides opportunities for members to develop leadership, organizational, and teamwork skills while fostering a culture of discipline and sportsmanship. By encouraging active engagement and athletic excellence, the committee enhances campus life and contributes to the overall well-being of the community.

e.

Infrastructure Related Committee

i.

Library & Book Bank

The Library & Book Bank is dedicated to supporting academic growth, intellectual development, and equitable access to learning resources within the community. It provides a wide range of books, reference materials, journals, and digital resources that encourage effective study, research, and self-learning. The Library maintains a welcoming and resource-rich environment where students can explore knowledge, develop academic skills, and engage in independent learning. The Book Bank complements these efforts by offering essential textbooks and course materials to students for long-term use, ensuring that financial constraints do not hinder academic progress. Through regular updates to its collection, user-support services, and resource-orientation sessions, the Library & Book Bank helps students enhance their research abilities, discipline, and academic confidence. By promoting accessible learning, academic excellence, and a culture of reading, the Library & Book Bank plays a vital role in enriching campus life and contributing to the overall educational advancement of the community.

ii.

Social Media

The Social Media Committee is dedicated to enhancing communication, visibility, and engagement within the community through dynamic and strategic digital outreach. It manages the institution's social media platforms to share updates, highlight achievements, and promote events in an engaging and timely manner. The committee ensures that information reaches a wide audience, fostering transparency, connection, and active participation. By creating creative content, designing campaigns, and monitoring online interactions, the committee provides members with opportunities to develop valuable skills in communication, digital marketing, content creation, and teamwork. It plays a key role in shaping the institution's online presence, promoting positive interactions, and building a sense of community in the digital space. Through its consistent efforts, the Social Media Committee strengthens the institution's identity, enhances outreach, and contributes to an informed and connected campus environment.

iii.

Activity Record Maintenance

The Activity Record Maintenance Committee is dedicated to ensuring accurate, organized, and systematic documentation of all institutional events and initiatives. The committee maintains detailed records of activities conducted throughout the year, including reports, photographs, attendance data, and supporting documents. This thorough documentation supports transparency, accountability, and effective reporting across departments. By standardizing record-keeping practices and maintaining a centralized archive, the committee ensures that information is easily accessible for audits, accreditation processes, annual reports, and future planning. Members also gain valuable skills in data management, organization, coordination, and documentation. Through its commitment to maintaining reliable and comprehensive records, the Activity Record Maintenance Committee contributes to efficient institutional functioning and preserves a clear and traceable history of the community's achievements and progress.

iv.

Lab Quality Assurance Cell

The Lab Quality Assurance Cell is dedicated to maintaining high standards of accuracy, safety, and reliability within all laboratory environments. It ensures that laboratory practices, equipment, and procedures meet established quality benchmarks and comply with institutional and regulatory guidelines. The cell regularly monitors lab operations, conducts inspections, and facilitates the timely calibration and maintenance of instruments to support effective teaching and research

activities. In addition to maintaining quality standards, the cell provides guidance and training to students and staff on safe laboratory practices, proper equipment handling, and adherence to protocols. These efforts help strengthen technical skills, promote accountability, and cultivate a culture of precision and responsibility within the labs. Through its continuous oversight and commitment to excellence, the Lab Quality Assurance Cell enhances the overall efficiency, credibility, and safety of laboratory operations while contributing to the academic and professional development of the community.

v.

Repair & Maintenance

The Repair and Maintenance Committee is dedicated to ensuring the proper upkeep, functionality, and safety of the institution's infrastructure and facilities. The committee oversees routine inspections, coordinates repair work, and addresses maintenance needs across classrooms, laboratories, equipment, and common areas. Its timely interventions help prevent disruptions and ensure a clean, efficient, and well-maintained environment for students and staff. In addition to managing ongoing maintenance tasks, the committee works proactively to identify potential issues, plan preventive measures, and support long-term facility improvement. Members gain valuable experience in coordination, problem-solving, and resource management while contributing to the smooth functioning of the campus.

Through its continuous efforts, the Repair and Maintenance Committee enhances the quality of the institution's physical environment and supports a safe, comfortable, and productive atmosphere for the entire community.

vi.

Classroom Infrastructure

The Classroom Infrastructure Committee is dedicated to ensuring that all learning spaces are well-equipped, organized, and conducive to effective teaching and learning. The committee oversees the condition of classrooms, monitors seating arrangements, lighting, ventilation, and ICT facilities, and ensures that essential teaching aids are functioning properly. Regular inspections and timely reporting help maintain a comfortable and efficient academic environment. The committee works

proactively to identify areas requiring improvement, coordinate necessary upgrades, and support the implementation of modern learning tools and technologies. By maintaining high standards of classroom readiness, the committee contributes to enhancing the overall learning experience for students and supporting faculty in delivering quality instruction. Through its consistent efforts, the Classroom Infrastructure Committee helps create an environment that promotes focus, engagement, and academic excellence within the institution.

f.

Others

i.

Training & Placement Cell

The Training and Placement Cell is dedicated to enhancing students' employability and supporting their transition from academia to professional careers. The cell organizes training programs, skill-development workshops, career guidance sessions, and industry-interaction events to prepare students for competitive job markets. These initiatives help students develop essential competencies such as communication, problem-solving, teamwork, and professional etiquette. The cell actively engages with companies, industries, and organizations to create placement opportunities and facilitate campus recruitment drives. By maintaining strong industry linkages and understanding market trends, the cell ensures that students

receive relevant exposure and guidance aligned with current employment demands. Through its sustained efforts, the Training and Placement Cell strengthens students' career readiness, expands professional opportunities, and contributes significantly to their overall growth and future success.

ii.

HR Planning & Academic Coordination

The HR Planning & Academic Coordination Committee is dedicated to ensuring effective staff management and smooth academic operations within the institution. The committee oversees workforce planning, supports faculty allocation, and monitors workload distribution to ensure that academic activities are conducted efficiently and without interruption. It works closely with departments to identify staffing needs, facilitate timely recruitment processes, and support the optimal utilization of human resources. In addition to HR planning, the committee plays a key role in coordinating academic schedules, managing timetables, and aligning academic activities with institutional guidelines. It ensures seamless communication between departments, enabling better planning, resource sharing, and adherence to academic calendars. Through its organized and proactive approach, the HR Planning & Academic Coordination Committee contributes to a well-structured, efficiently managed academic environment that supports both staff performance and student learning outcomes.

iii.

IQAC

The Internal Quality Assurance Cell (IQAC) is dedicated to promoting and sustaining quality standards across all academic and administrative activities within the institution. The cell systematically monitors processes, evaluates performance, and facilitates continuous improvement initiatives to enhance teaching, learning, and overall institutional effectiveness. IQAC coordinates the development and implementation of quality benchmarks, collects feedback from stakeholders, and supports faculty and departments in achieving excellence through workshops, training programs, and best-practice dissemination. By fostering a culture of self-assessment and accountability, the cell ensures that institutional policies and practices align with national and international quality standards. Through its proactive efforts, the IQAC strengthens academic governance, promotes transparency, and contributes significantly to the institution's vision of holistic and sustainable educational development.

iv.

Board of Management

The Board of Management Committee is responsible for providing strategic leadership, effective governance, and oversight of all major academic, administrative, and financial functions of the institution. The Committee ensures that policies, processes, and institutional practices remain aligned with the organization's vision, mission, and long-term developmental goals. Through regular review of institutional performance, evaluation of key initiatives, and approval of major plans and proposals, the Board upholds high standards of accountability, transparency, and ethical

conduct. The Committee guides the institution in implementing strategic plans, monitoring resource utilization, and ensuring adherence to statutory and regulatory requirements. It collaborates with various academic and administrative units to promote operational efficiency and institutional growth. By offering strategic direction, assessing progress, and supporting innovation across departments, the Board plays a pivotal role in fostering academic excellence and sustainable development. Through its proactive and participatory governance approach, the Board of Management Committee strengthens institutional decision-making, enhances stakeholder confidence, and contributes significantly to the institution's pursuit of quality, relevance, and holistic educational advancement.

v.

Canteen

The Canteen Committee is dedicated to ensuring the provision of hygienic, nutritious, and affordable food services within the institution. The Committee regularly monitors the functioning of the canteen, evaluates the quality of food and service, and oversees adherence to safety, sanitation, and regulatory standards. By conducting periodic inspections, reviewing vendor performance, and addressing student and staff feedback, the Committee works to maintain a clean, healthy, and welcoming dining environment. Throughout the year, the Canteen Committee coordinated menu planning, implemented quality control measures, and facilitated improvements in infrastructure and service delivery. It also collaborates with canteen staff and management to promote best practices in

food preparation, waste management, and customer service, ensuring smooth and efficient operations. By fostering a culture of accountability, transparency, and responsiveness, the Canteen Committee contributes significantly to enhancing campus life and supporting the well-being of the institutional community. Its proactive efforts ensure that the canteen services remain aligned with the institution's commitment to safety, quality, and student-centric development.

vi.

Mandatory Disclosure

The Mandatory Disclosure serves as a comprehensive record of all essential institutional information required by statutory and regulatory authorities. It provides updated details on governance mechanisms, academic programs, faculty qualifications, infrastructural resources, financial statements, admission procedures, and student support services. The disclosure also includes compliance reports, policy documents, and key performance indicators that reflect the institution's operational integrity and academic standards. By systematically compiling, reviewing, and publishing this information, the institution ensures transparency, strengthens stakeholder confidence, and upholds its responsibility toward regulatory compliance. The Mandatory Disclosure plays a vital role in promoting good governance, supporting quality assurance processes, and demonstrating the institution's commitment to maintaining high standards of accountability and public trust.

vii.

Examination

The Examination Committee is responsible for ensuring the smooth, transparent, and efficient conduct of all examinations within the institution. The Committee oversees the entire examination process, including preparation of schedules, question paper management, invigilation arrangements, and secure handling of answer scripts. It ensures that all procedures adhere to academic regulations, institutional policies, and statutory guidelines. Throughout the year, the Committee coordinated the timely organization of internal and external assessments, monitored evaluation processes, and facilitated the declaration of accurate and fair results. It worked closely with departments, faculty members, and administrative units to maintain the integrity and confidentiality of examinations, while also addressing student queries and grievances related to assessments. By upholding high standards of fairness, accountability, and systematic planning, the Examination Committee strengthens the institution's academic credibility and contributes significantly to maintaining a reliable and quality-driven assessment system.

viii.

Inspection

The Inspection Committee is responsible for conducting systematic inspections and assessments of the institution's academic, administrative, and infrastructural facilities to ensure compliance with regulatory standards and institutional policies. The Committee evaluates classrooms, laboratories, libraries, equipment, and other resources, identifying areas for improvement and recommending corrective measures to enhance overall institutional efficiency and quality. Throughout the year, the Committee carried out regular inspections, prepared detailed reports, and coordinated with relevant departments to implement suggestions and maintain high standards of safety, functionality, and resource utilization.

It also ensures that all statutory and accreditation requirements are met through rigorous monitoring and documentation. By fostering a culture of accountability, diligence, and continuous improvement, the Inspection Committee contributes significantly to institutional governance, operational excellence, and the sustained achievement of quality benchmarks.

ix.

Repository Maintenance

The Repository Maintenance Committee is responsible for the systematic organization, management, and preservation of the institution's academic, administrative, and research records. The Committee ensures that all data, documents, and digital resources are accurately maintained, securely stored, and easily accessible to authorized users, supporting institutional transparency and operational efficiency. Throughout the year, the Committee coordinated the updating of records, digitization of important documents, and proper cataloging of research outputs, examination papers, and institutional reports. It also monitored adherence to data management protocols, archival standards, and regulatory requirements. By maintaining a well-structured and reliable repository, the Committee facilitates informed decision-making, supports quality assurance processes, and contributes to the institution's commitment to accountability, knowledge preservation, and organizational excellence.

9. Events

a Co-Curricular Events

To facilitate comprehensive development among students, the curriculum incorporates co-curricular activities. Significantly, theoretical knowledge is applied through the organization of co-curricular activities pertinent to classroom instruction. Intellectual facets of individuals are cultivated through formal classroom education, whereas character formation, spiritual development, and creative expression are fostered through co-curricular pursuits. These activities, in conjunction with formal education, channelize students' latent potential, thereby fostering their development into conscientious citizens.

S. No.	Type of Activity	Date
1	Green Light Initiative	31-01-2026
2	Movie Screening <i>DHURANDHAR</i>	03-01-2026
3	Holi Celebration	03-03-2026
4	Yoga & Distress Therapy Session	27-02-2026
5	Republic Day Celebrations	24-01-2026

i.

Expert and Guest Lectures

The Experts and Guest Lectures series at IITM serves as a bridge between academia and industry, offering students invaluable insights from seasoned professionals and thought leaders. These sessions cover diverse domains, enriching knowledge, and fostering critical thinking. By bringing real-world perspectives into the classroom, IITM ensures students are well-equipped with practical skills and a deeper understanding of current trends, driving their professional growth and aspirations.

iii Workshops

Regular in-house skill enhancement and personality development workshops are conducted at our institution to foster the holistic development of our students. Led by our faculty members and distinguished external experts, these workshops are tailored to assist students in achieving their personal educational and career objectives. They offer students the opportunity to cultivate the essential skills demanded in the professional sphere, thereby preparing them for success in their chosen paths.

S. No.	Date	Type of Activity	Resource Person(s)
1	06-01-2025 to 15-01-2025	Advanced Excel & SPSS (MNG)	Ms. Priya Chetty (Project Guru)

v. Skill Enhancement/Ability Enhancement

The Skill Enhancement and Ability Enhancement initiatives at IITM focus on equipping students with critical competencies for personal and professional growth. Through specialized programs, training sessions, and interactive activities, these initiatives aim to develop technical, analytical, and soft skills. By fostering a culture of continuous learning and adaptability, IITM empowers students to excel in their careers and contribute meaningfully to society.

vi. **Orientation/ SIPS**

The Orientation for Summer Internship Program (SIP) at IITM is designed to prepare students for a successful transition from academics to the professional world. This comprehensive session provides insights into workplace expectations, industry trends, and practical tips to maximize internship experiences. By fostering confidence and equipping students with essential skills, the orientation ensures they are well-prepared to contribute effectively and gain valuable learning during their internships.

S. No	Type of Activity	Date
1	Orientation Programme - BBA	05-08-2025
2	Orientation Programme - MBA	05-08-2025
3	Deeksharambh – BA(JMC)	04-08-2025 to 08-08-2025
4	Deeksharambh – B.Com(H)	06-08-2025 to 08-08-2025
5	Orientation & Induction Programme – BCA	01-08-2025
6	Orientation & Induction Programme – MCA	01-08-2025

b. **FDPS**

The Faculty Development Program (FDP) at IITM is dedicated to enhancing the pedagogical, technical, and research skills of educators. Through workshops, training sessions, and expert interactions, the program fosters continuous learning and innovation among faculty members. By staying abreast of emerging trends and best practices, FDP ensures the delivery of quality education and contributes to the holistic academic growth of the institution.

The Future of Computing: Integrating Green AI, IoT, and Federated Learning

C.

Extra-Curricular Events

Extra-curricular events at IITM provide students with opportunities to explore their talents, foster creativity, and build leadership skills. From cultural festivals and sports competitions to debates and artistic showcases, these events encourage holistic development beyond academics. By promoting teamwork, confidence, and a sense of community, IITM ensures students enjoy a vibrant campus life while nurturing well-rounded personalities equipped for future challenges.

i.

Sports Meet

The Sports Meet at IITM celebrates the spirit of teamwork, discipline, and healthy competition. Bringing together students from diverse backgrounds, it serves as a platform to showcase athletic talent and foster camaraderie. With a variety of events and enthusiastic participation, the meeting promotes physical fitness and mental well-being, contributing to the holistic development of students while instilling values of perseverance and sportsmanship.

List of Sports Events

S.No	Event Name	Date of event	Category	Venue

Happiness Index

The Happiness Index at IITM is a unique initiative aimed at gauging and enhancing the well-being of students and faculty. By conducting surveys and feedback sessions, the index measures overall satisfaction, mental health, and quality of life on campus. This valuable data helps in identifying areas for improvement, fostering a supportive environment, and implementing programs that promote happiness, balance, and a positive academic atmosphere.

Extra-Curricular Events

d. Industrial Visit – YUVK

The industrial visit to YUVK provided IITM students with invaluable insights into real-world business operations and industrial processes. This experiential learning opportunity bridged the gap between classroom theories and practical applications. By engaging with industry experts and observing professional environments, students gained a deeper understanding of their fields, enhancing their knowledge and preparing them for future career challenges.

Industrial Visits

S. No.	Type of Activity	Date

- I. IITM -Industry Institute Partnership Cell (IIPC) Student Placement Handbook

Student's Research and Achievements

The Institute of Information Technology & Management (IITM), Janakpuri, has built a strong reputation for academic excellence, innovation, and research. Students consistently achieve outstanding results in university examinations, with many earning university ranks, gold medals, merit scholarships, and recognition in cultural, technical, and management competitions. The institute encourages holistic development through internships, industry interactions, hackathons, entrepreneurship programmes, and innovation activities. Research is an important focus at IITM, with faculty and students actively participating in national and international conferences, publishing research papers, and working on multidisciplinary projects in areas such as Artificial Intelligence, data analytics, and emerging technologies. The institute also promotes innovation through its Institution's Innovation Council and incubation initiatives, which support start-up ideas and intellectual property development. By combining academic excellence with research and practical learning, IITM Janakpuri prepares students to become skilled professionals, responsible leaders, and lifelong learners capable of contributing effectively to industry and society.

IITM
Nurturing Excellence
