Celebration of Akshay Urja Diwas 2023

The Environment & Sustainability Committee of IITM in association with NSS Cell is celebrating Akshay Urja Diwas on August 20, 2023 with an objective to raise awareness about growth and use of renewable energy in India. The energy such as Solar Energy, Wind energy, hydroelectrical power are few examples of Akshay Urja. It is essential to develop ways to use Akshay Urja or renewable energy more efficiently. Through this initiative, our committee aims to generate mass awareness and popularisation of need, benefits and uses of renewable energy devices and systems in all sphere of life.
